

Cantare:
Lifting Voices
Uplifting Lives

MUSIC STARS

Cantare's **tuition-free** after-school choirs lift the voices of students from underserved neighborhoods with no other artistic outlet to develop and share their voices. Each week, 40 self-selecting 3rd-5th graders attend 60-minute rehearsals with one of Cantare's highly-qualified professional Teaching Artists.

Students represent their neighborhood by performing at school events and joining together with all of Cantare's 8 after-school choirs at our citywide events.

Our diverse repertoire enables singers to take pride in their own heritage and to appreciate their peers'.

This program is 100% tuition-free,
including uniforms, meals and
transportation, to ensure every child has the
opportunity to develop and share their voice.

Music Stars participants develop self-esteem, confidence, respect for teamwork, and healthy social behavior, essential tools for living successful and productive lives.

“My daughter NEVER wants to join groups or activities. Choir was the first thing she was ever excited to join, and she loved every minute of it.”
